Statement of CPNI Procedures and Compliance

Speakeasy, Inc. ("Speakeasy") does not use or permit access to CPNI to market any services outside of the total service approach as specified in 47 CFR §64.2005. If Speakeasy elects to use CPNI in a manner that does require customer approval, it will follow the applicable rules set forth in 47 CFR Subpart U, including the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

Speakeasy ensures that its employees do not improperly use or disclose CPNI by requiring that all access to CPNI be approved by a supervisor with knowledge of the FCC's CPNI requirements.

Speakeasy has instituted training procedures and a corresponding disciplinary process to ensure that its personnel understand and comply with restrictions regarding the use and disclosure of, and access to CPNI. Requests for CPNI by law enforcement agencies are only granted if a subpoena is provided or if the customer provides written permission.

Speakeasy maintains a record of all sales and marketing campaigns that use CPNI.

Speakeasy maintains a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI.
